FREE CHEAT SHEET

Learn Claude in 28 Days

One small task a day, about 10 minutes each. No tech skills needed. Copy the prompt, paste it into Claude and fill in the **[brackets]**.

What is Claude?

An AI assistant made by Anthropic. You chat with it in plain words, like a WhatsApp message, at claude.ai or in the Claude app.

How to use this sheet

Do one day at a time and tick it off. Missed a day? Just carry on. Stick it on the fridge or keep it next to your laptop.

The secret to great answers: R-T-C-F

R

Role

Who should it be? "You are a friendly maths tutor."

T

Task

What do you want? "Explain fractions."

C

Context

What should it know? "For a 9-year-old who loves soccer."

F

Format

How should it look? "3 short steps and a quiz."

Stay safe with AI

Keep private things private. Never paste passwords, ID numbers or bank details.

Check what matters. AI can sound sure and still be wrong.

You're the boss. Use the first draft, then make it yours.

Made Very Simple is not affiliated with Anthropic. Claude is a product of Anthropic.
Some features may need a paid plan or differ between the website and the app.

LEARN CLAUDE IN 28 DAYS

Weeks 1 & 2

made very simple.

Week 1 · Getting started

DAYS 1–7

- [ ] **DAY 1 — Say hello**
  At claude.ai or in the app, type: “Hi! I’m new to AI. What can you help me with?”
- [ ] **DAY 2 — Ask a real question**
  “Explain **[topic]** like I’m new to it, in 5 bullet points.”
- [ ] **DAY 3 — Fix a tricky message**
  “Make this message friendlier and shorter: **[paste message]**”
- [ ] **DAY 4 — Ask follow-up questions**
  Don’t start over. Just reply: “Shorter.” “Simpler.” “Give me 3 more options.”
- [ ] **DAY 5 — Brainstorm ideas**
  “Give me 10 gift ideas for **[my mom]** under **[R300]**. One line each.”
- [ ] **DAY 6 — Plan the week’s meals**
  “Plan 5 budget dinners for **[4]** people, then give me one shopping list.”
- [ ] **DAY 7 — Review your week**
  “Quiz me with 5 questions on what AI can and can’t do.”

Week 2 · Better prompts

DAYS 8–14

- [ ] **DAY 8 — Use R-T-C-F**
  Give one request a Role, a Task, some Context and a Format. Compare the answer.
- [ ] **DAY 9 — Give Claude a role**
  “You are a patient **[personal trainer]**. Help me **[start walking every day]**.”
- [ ] **DAY 10 — Choose the format**
  “Put this in a table with columns for **[day, task, time]**: **[paste]**”
- [ ] **DAY 11 — Show an example**
  “Write 3 more in the same style as this example: **[paste example]**”
- [ ] **DAY 12 — Let Claude ask first**
  “Before you answer, ask me 5 questions about **[my goal]**.”
- [ ] **DAY 13 — Double-check answers**
  “How sure are you about this? What should I check for myself?”
- [ ] **DAY 14 — Start a prompt notebook**
  Copy your 5 best prompts into a note on your phone so you can reuse them.

LEARN CLAUDE IN 28 DAYS

Weeks 3 & 4

made very simple.

Week 3 · Files & everyday life

DAYS 15–21

- [ ] **DAY 15 — Upload a document**
  Attach a PDF: "Summarise this in 5 points and list any dates or deadlines."
- [ ] **DAY 16 — Snap a photo**
  Add a photo of a bill, label or whiteboard: "What does this say? Explain it simply."
- [ ] **DAY 17 — Check your budget**
  "Here is my monthly income and spending: **[list]**. Where could I save?"
- [ ] **DAY 18 — Turn notes into a to-do list**
  "Turn these notes into a to-do list with deadlines: **[paste notes]**"
- [ ] **DAY 19 — Plan a trip**
  "Plan a **[3]**-day trip to **[place]** for **[4 people]** on a **[R5,000]** budget."
- [ ] **DAY 20 — Practise for an interview**
  "Ask me likely questions for this job, then rate my answers: **[paste advert]**"
- [ ] **DAY 21 — Create a Project**
  Keep one topic in a Project with your own files and instructions.

Week 4 · Power features

DAYS 22–28

- [ ] **DAY 22 — Make something to print**
  "Make me a printable weekly chore chart for **[3 kids]**." Then download it.
- [ ] **DAY 23 — Search the web**
  "What's new in **[topic]** this month? Show me your sources." Then open one.
- [ ] **DAY 24 — Talk instead of type**
  Use voice in the Claude app while you walk or cook. Ask it to plan your evening.
- [ ] **DAY 25 — Set your style**
  "From now on, answer in plain English: short, friendly, with bullet points."
- [ ] **DAY 26 — Build a mini tool**
  "Make a simple tip calculator I can use on my phone." No coding needed.
- [ ] **DAY 27 — Help your side hustle**
  "Write 3 product descriptions for **[product]** and a reply to **[customer]**."
- [ ] **DAY 28 — Make it a habit**
  Pick 3 tasks Claude will help with every week: _____

You did it! Keep going.
